Subject: Microsoft Settlement

This trial has cost taxpayers dollars that could have been more wisely spent on defense of our country. Competition has made our country the Great Country that it is today and our government should take a "hands off" policy where business is concerned.

I strongly support the microsoft settlement. Please settle this matter and let's start over, encouraging business growth and entrepreneurship.

Thank you for listening to my opinion.

Sincerely,

Barbara StricklandGet more from the Web. FREE MSN Explorer download : <http://explorer.msn.com>
